SOPHS SPONSOR BIG SCRAMBLE

by Paul LoRusso

Michaelmen are in for a double treat today. The sophomore Class is sponsoring their annual Beanie Field Day --- to be followed by a dance in Austin Hall this evening.

This afternoon on the Athletic Field there will be many games between the Sophomores and Freshmen. Included among these will be a softball game, foot race, tug-of-war and an "egg contest" which the second year men refuse to elaborate on.

EGG CONTEST

Upon being interviewed, Sophomore Class President Dick Hickey, said: "The general consensus of opinion within the Sophomore Class is that the Freshmen will marvel at the ingenuity and planning which went into the development of this "egg contest". In fact, this contest is guaranteed to be the foremost conversational feature around campus for at least the next few months.

The sole purpose of this Beanie Field Day is to afford the Freshmen an opportunity to remove their "beloved" beanies which they have so voluntarily chosen to wear these past few weeks. The Sophomore Class realizes the sorrow that the Frosh will undergo if by some inopportune circumstances they should win - and are compelled to remove their beanies. Therefore the Sophomores will do their best to spare the Frosh this hardship.

Father Dupont New President

Michaelmen returned this fall with a new president at the head of their college. He is the Very Rev. Gerald E. Dupont, S.S.E., 10th president of St. Michael's.

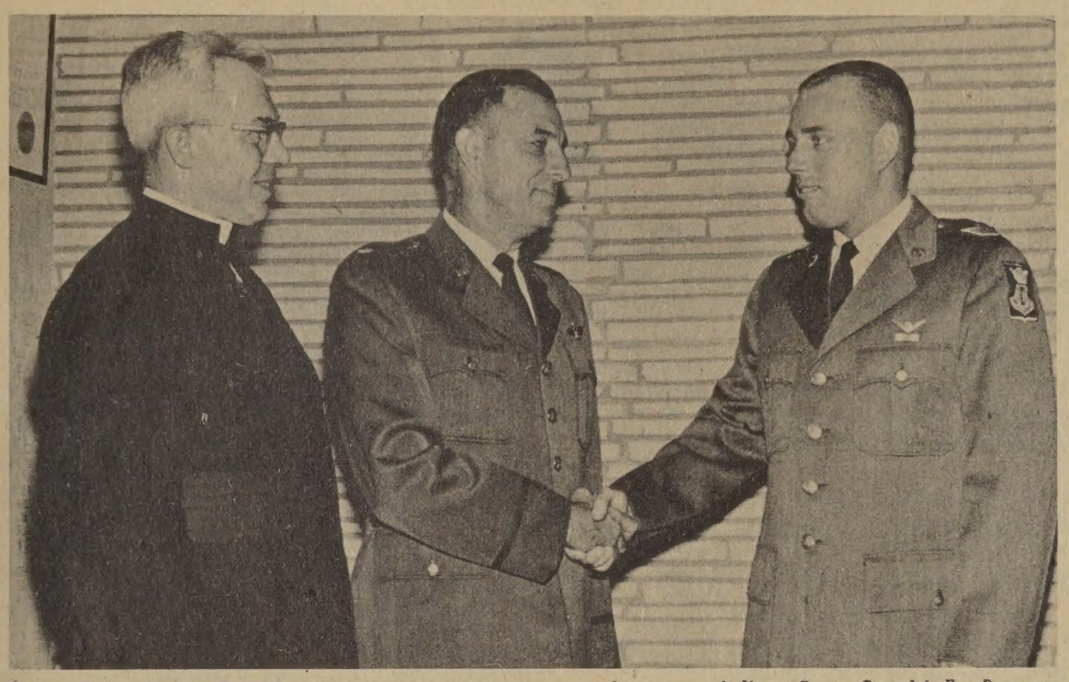
Fr. Dupont succeeded Very Rev. Francis E. Moriarty, S.S.E., whose six year term expired this summer.

At the same time, Fr. Purtill announced the appointments of Very Rev. Vincent B. Maloney, S.S.E., as religious superior and of Rev. Dr. Thomas Donald Sullivan, S.S.E., as vice president. Previously, the offices of president and of religious superior have been held by the same man. Fr. Moriarty will again become principal of *Dunkirk, N.Y.*, of Cardinal Mindszenty High School which he founded.

A native of *Providence, R.I.*, Fr. Dupont is widely known as the father of "The St. Michael's Plan" which integrates the arts and sciences in the liberal arts college curriculum. Founded in 1904, St. Michael's is a college for 750 men in the regular session. Summers, men and women are admitted for graduate programs.

Fr. Dupont is a member of the executive committee, college and university department, National Catholic Educational Association and has conducted workshops on Administration, on the Curriculum, and on the Dean's office at the Catholic University in Washington.

(Continued on Page 4)



Cadet Colonel Richard Manning receives the congratulations of Very Rev. Gerald E. Dupont, S.S.E., President of St. Michael's, and Lt. Colonel Wiley M. Bondurent, USAF. Manning has been selected to head the cadets of the College's Air Force Reserved Officers' Training Corps.

Makula Says No Addition

Francis Makula, Editor of the '59 Shield, announced today the selection of his staff, appointment of a moderator, and tentative plans.

THE STAFF

The staff, comprised solely of seniors as in past years, is: Tom Brown, Business Manager; Paul Lombardi, Photography Editor; Jim DesRoches, Sports; Florian Menniger, Senior Section; Larry Clifford, Clubs and Activities; and Neil Fisk, Art.

Moderator of the yearbook

(Continued on Page 4)

Manning New Cadet Colonel

"We intend to make the Corps the most efficient and productive Saint Michael's has ever seen," said Cadet Colonel Richard J. Manning.

These were Mr. Manning's words after Lt. Col. Wiley M. Bondurant announced his appointment as Commander of the Corps of Cadets of Saint Michael's Air Force ROTC.

HIGH RATING

His appointment came on the heels of the notification that he had attained the highest rating at summer camp of any cadet from Saint Michael's. Col. Manning spent the four week training program at Fort Ethan Allen Air Force Base.

The highest possible rating is 5 - his was 4.9.

Other qualifications taken into consideration towards the appointment were Mr. Manning's command or staff assignments

(Continued on Page 4

EXTRA

St. Michael's College President, Very Rev. Gerald E. Dupont, S.S.E., has confirmed what has long been an "open secret on campus".

Addressing A Senior Class meeting Fr. Dupont said "there is foundation for the rumor that a Student Union and Dining Hall will be going up during the time that you will remain here -- I hope".

"This is not a vague future plan, but we have definite plans in the process and hope to make a definite announcement within several weeks.

"The need is apparent," continued The College President. "Our present facilities are crowded and we need other things that could well be included in such a building".

Fr. Dupont said that no formal announcement could be made at this time, but he was going ahead with plans started during the regime of Very Rev. Francis E. Moriarty, S.S.E.

60 Students Take English

by R. Hickey

Sixty students are now enrolled in St. Michael's program in English for foreign students under the direction of Professor Ernest Boulay. The sixteen weeks course commenced on Sept. 22.

THE PURPOSE OF PROGRAM

This program was established at St. Mike's to meet the needs of foreign students who come to the United States to continue their studies in the schools, colleges, and universities of this country; or who are here for business or professional reasons, and to obtain a knowledge of English quickly.

Upon their arrival on campus the students took English placement tests to help determine the extent of their knowledge of English. Those who have an advanced knowledge of English go into the ad-

Two Grads Run For Governor

by Roger Plasse

Two former honor graduates of St. Michael's; Bernard Boutin, '45 and Bernard Leddy '31, are running for governorship of New Hampshire and Vermont respectively. They are both on the Democratic ticket.

MR. BOUTIN

Mr. Boutin, '45, who was valedictorian of his class is at present mayor of Laconia, N.H. He also operates an insurance agency and is a member of many civic organizations. Vice President of

the new faces of 1962

Hail & Farewell

"And indeed there will be time
To wonder, 'Do I dare?' and 'Do I dare?'"

Of all the questions that present themselves to the mind of a college president this is one that never detained for a moment our retired President, Very Reverend Francis E. Moriarty, S.S.E.

At 32 he was Principal of a small high school near Buffalo, New York, and at 33 he was President of a college embarking on a period of tremendous academic growth and prestige.

In his very acceptance of the position of the youngest college President in the nation he began to manifest the qualities that steered Saint Michael's for six years. Tenacity to the ideals of the college, uncompromising foresight and dynamic leadership characterized his term in office.

His accomplishments are many. First among his aims has been the development of the "Saint Michael's Plan" and the building up and retaining of an outstanding faculty. Tuition-free education for the sons of faculty members, substantial salary raises, pension and insurance benefits have been his steps toward the latter.

It was during Father Moriarty's term that the celebrated program of English for Foreign Students was inaugurated. It was his decision to accept over one hundred Hungarian students into the program that brought us national recognition two years ago.

The building of Alumni Hall and much of our future building plans have been made possible by Father's intensive drives for the success of our annual Alumni Loyalty Fund. Perhaps his most dramatic decision concerned "a luxury that a small liberal arts college like Saint Michael's cannot afford" --- football. After an unbeaten and untied season, only his dedication to our success as an academic institution could first answer his critics.

He has now returned to Dunkirk and to Mindszenty High School which he founded and leaves here an impression not to be forgotten.

His successor, Very Rev. Gerald E. Dupont, S.S.E., is a different kind of a man. Academic Dean for twelve years, father and director of the Saint Michael's Plan, he has brought the college and its curriculum to national educational respect.

When Cardinal Newman wrote on the purpose of the university, he described it as an institution to produce men who would rather suffer the loss of an arm than the existence of a cultural fraud or intellectual perversion. Father Dupont is this kind of man.

The Michaelman and the student body extend a sincere welcome to our new President, a Catholic scholar, Father Gerald E. Dupont.

P.T. O'G.

Letter To The Editor

To The Editor:

It came as a shock to hear from the pulpit at the Mass of the Holy Spirit, that the 10:30 Mass on Sunday morning was to be discontinued. As a student of St. Michael's College, I would like to know the reason why the administration has eliminated this Mass?

I can see no validity whatsoever in the abandonment of this Mass. We were told by the administration at the beginning of last year that a 10:30 Mass would be initiated for a trial period and if proven successful, it would continue as such. The 10:30 Mass was proven to be a great success without any doubt as was proven by its attendance.

If we review the Mass schedule in the student chapel for the past year, we shall see that the 9:30 Mass is rather late and always crowded beyond capacity.

After all, the student chapel holds approximately 300 students (seated) and the student body is about 100, and as can be seen this is approximately 266 students per Mass without including the regular parishioners. Once the pews are filled, the students are left standing in the aisles and in the back of the chapel, thus creating a serious condition.

I would greatly appreciate an snwer to my question.

Anthony Salvato, '59

THE INQUIRING REPORTER

by Lawrence X. Clifford

For this week, we have four freshmen giving their first impressions of St. Michael's.

Richard Barber, Rye, N.Y.:

My first day on campus was marked forever in my memory. I will never forget the aid rendered to me by the upperclassmen. Their hearty welcome and quick explanations of all our questions made us feel right at home. My new classmates are the best bunch of fellows you ever could meet. The teachers, proctors and everyone have been pleasant. My overall impression was that the whole place is pretty good in all respects.

David Drew, Lyndonville, Vt.:

Many things have impressed me here at St. Michael's in the short while that I have been here. Among them, there is one that stands out above all; and that is the friendly atmosphere and the down to earth students and teachers.

It would be impossible for a freshman at St. Michael's not to be indebted to someone for the kindness they have shown on my first day. One of the upperclassman helped me with my bags. Later, another came to check and see how we were doing. The proctors showed concern for our welfare. Everyone was friendly. We were made to feel at home. I along with all the other Freshmen express my deepest appreciation for such consideration.

Peter Christo, Waldwick, New Jersey:

As I became acquainted with St. Mike's during Freshmen Week, it seemed like one big happy family. All the upperclassmen took us in tow and showed us the ropes. A friendly atmosphere prevailed throughout the campus. The extra-curricular activities on campus seem to offer the student plenty of chance to let off steam. Yes, St. Michael's offers all a college can but most of all it gives you a feeling of being wanted.

Joe Gulick, Greenwich, Conn.:

Upon entering the front gates of S.M.C., the first thing that hit me square in the eyes was the seemingly fashionable group of MEN(?) who were crowned with beautiful purple chapeauxs. However, quite to my surprise I found myself with one of these quaint crowns upon my head.

Some of the things that I noticed as Freshmen Week progressed were that our mothers were not breathing down our necks, that all the upperclassmen were kind and helpful. The staggered class schedule impressed me. It's much different from high school. From the attention given me during Freshman Week I feel that my first impression of St. Michael's will remain with me all year.

The Return Of The "Fungo"

by Vin Farrell

Welcome back lovers of Byron. Now that a week has flowed by I have decided to investigate the prospective class of '62. (Well really not, but I caught my sleeve in the milk machine in Old Hall and thought I might as well make the best of it.) None however was to be found and I learned later that they were out playing croquet. (Summer school joke #1669).

Fortune however did not pass me by. The very next day while I was gazing in rapture at that living testimony to Vigoro ----- Ryan Hall; a rather timid knock came to the door. Leaning back I mused; "My library bill can't be that much yet," but being naturally devil-may-care, I bade entrance. There before my eyes stood Freddie Bartholomew on his first day at Dr. Arnold's. Pacing one step forward, skull cap in hand, he said; "Pardon me sir, could you direct me to the Holcomb Observatory?" (No comment please) I told him that our Geodetic masterpiece was that alcoa pated, ivy girthed structure on the other side of the autobahn.

Thanking me, he was about to leave when I said; "Do you mind wearing the beanie?" He answered, "No, but the purple does come off on the pillow case." He then preceeded to tell me of Freshman Week and the various Rorschach and manual dexterity tests he took. I then asked him how he liked the food. (Oh Farrell, you Victor Riesel you, - or is it Jack Lait?) He said he didn't mind it. I heartily agreed, where else can you get all the Bunny Bread you want for 32 cents a day?

He mentioned the upcoming "Combat de Mort" with Hickey's Huns. I told him the annual Tableau of Balaklava would take place in the near future behind Miketown.

We then got to talking about the academic side of the school. He was reasured to know that the Humanities sequence was not a Barry-Enwright Production. He also seemed quite enthused and eager to launch his career in our green mansions. I left him with this bromide: "If life grows too heavy, remember what Scarlett O'Hara said "Tomorrow's another day."

DAILY MASS
7:00;7:30

Gosh frosh!

how'd you catch on so quick? Catch on to the fact that Coca-Cola is the hep drink on campus, I mean. Always drink it, you say? Well—how about dropping over to the dorm and downing a sparkling Coke or two with the boys. The man who's for Coke is the man for us.

Carroll Edits ROTC Paper

St. Michael's Air Force ROTC Detachment has announced a policy change within its Information Services Office, headed by Staff Sergeant Robert T. Moore and Cadet Lt. Col. James Carroll.

In the past this department has been responsible for the "Knight Flyer", which due to lack of funds and a small staff has simply been a news bulletin. It has been decided that this is insufficient for a cadet corps the size of St. Michael's.

With this in mind plans have been made for a four page *Newspaper* to be printed bi-weekly. Mr. Carroll said that the first edition may be expected the second week in October. This paper will include a complete coverage of Air Force ROTC news on campus and also selected news stories of the Air Force in Action both locally and Nationally.

Plans completed to this date include the use of a multigraph press at Ethan Allen Air Force Base which will also allow the use of photographs. Assisting Sergeant Moore, who will function as moderator, and Mr. Carroll, editor, there will be a staff, including 1st Lt. Thomas Sheridan and six basic cadets.

Cadet Lt. Col. Carroll is a Senior American Studies concentrator from Albany, New York. He plans to enter the flight training program as a commissioned 2nd lieutenant. A dean's list student for the past three years, he is also a member of the Arnold Air Society, Crown and Sword Society and honorary president of the freshman class.

THEY SAID IT COULDN'T BE DONE — BUT HERE IT IS!

"Couldn't be done." That's what they told Mr. Bell back in 1876. But where would three million college students be without the telephone . . . especially on a Saturday night? Today you can make a date, or talk to your folks, from practically anywhere . . . even from your own car.

PUFF BY PUFF TODAY'S L&M GIVES YOU-

Less tars & More taste

DON'T SETTLE FOR ONE WITHOUT THE OTHER. CHANGE TO L&M AND GET 'EM BOTH.

Such an improved filter and more taste! Yes, today's L&M combines these two essentials of modern smoking enjoyment – less tars and more taste in one great cigarette. L&M's patented filtering process enables today's L&M to give you, puff by puff, less tars in the smoke than ever before. And L&M gives you *more taste, better taste* than any other cigarette.

Light into that Live Modern flavor!

Governor

(Continued from Page 1)

the Laconia, N.H., chamber of commerce, he is married and has a large family.

In 1956 he was a feature Career Day speaker here on campus.

Tom Leavitt, who is at present a Public Information officer for the Air Force, commended him on his speech in the "MICHAELMAN." He also has held many executive posts in the Alumni Association and is at present a member of the Knights of Columbus.

Mr. Boutin was successful in a bitter fight over the Democratic nomination for Governor of N.H., which is traditionally a Republican state.

MR. LEDDY

Mr. Leddy, '31, who was an honor graduate in his class is at present a practicing attorney in Burlington. He is also the official legal counselor for St. Michael's College. The first Alumnus named to head up the Associate Board of Trustees of the College. He is married and has a family.

Featured speaker at political rallies throughout the state in the past years Mr. Leddy at present is running for Governor of Vermont on the democratic ticket. Vermont has traditionally been Republican for the past 104 years.

Rev. Dupont

(Continued from Page 1)

A member of the standing committee, Institutions of Higher Learning, New England Association of Colleges and Secondary School, Fr. Dupont this past year keynoted the Vermont Conference on Education Beyond the High School. His doctorate is from the University of Montreal, Magna cum laude.

Father Dupont's bachelor of arts degree was earned in 1935 at St. Michael's. His Master of Arts in Philosophy degree was conferred in 1942 by the University of Toronto. A year later, he received the Licentiate in Medieval Studies from the Institute of Medieval Studies in Toronto. He taught History and Philosophy from 1943 until he was named academic dean in 1946. He was a lecturer in Medieval Arts 1945-46 at the University of Montreal and has served as vice president of the American Catholic Historical Association.

Father Dupont who has published widely is currently presenting four talks on Education for the "Christian in Action" radio program of the National Council of Catholic Men.

The new president is the son of Mr. and Mrs. Urgel Dupont, 32 Hammond St., *Providence, R.I.* There he was graduated from Our Lady of Lourdes School and attended LaSalle Academy before entering St. Anne's Academy at *Swanton, Vt.* He was ordained in 1939.

NEW SUPERIOR

Fr. Maloney, the new religious superior, is first councillor to the superior general of the Society of St. Edmund. A native of *Hyde Park, Vt.*, he has been librarian at St. Michael's and director of St. Edmund's Laymen's Retreat League for many years. His bachelor's degree is from St. Michael's and his library degree from McGill University. He edited the History of the Burlington Diocese when Vermont Catholics marked their centenary in 1953 and co-authored with Dr. Jeremiah K. Durick the Golden Jubilee history of St. Michael's in 1954.

English

(Continued from Page 1)

vanced course while those with a lesser knowledge go into the intermediate course.

EIGHT COUNTRIES

There are approximately eight countries represented in this years program. One third of the students are from Iran. The remaining number is fairly evenly divided among Canada, Mexico, Venezuela, Dominican Republic, Cuba, Poland, and Spain.

All the male students will reside in St. James Hall under the supervision of the Rev. Gerard P. Duford, S.S.E. This session finds seven women attending the English program. They live with carefully selected private families close to the campus.

LARGE STAFF

Professor Ernest Boulay, chairman of the program, has a teaching staff of seven under his direction. Rev. Armand Dube, S.S.E., Mr. O'Neill, Miss Thayer, Mr. Medor, Mrs. Culty, Miss Stark, Mrs. McMahon, and one more teacher comprise Prof. Boulay's Staff.

Mr. O'Neill, Mr. Boulay's assistant announced that they have tentative plans for beginning a news letter for the students to read. The more advanced students would write and print the paper themselves. Mr. O'Neill said, "This will not only benefit the students by giving them campus news, but it will also afford them more opportunities to practice and prefect their new language."

Makula

(Continued from Page 1)

will be Rev. Leon Paulin, Mr. Makula stated that Fr. Paulin would be of invaluable assistance to the production of the book because of his knowledge of yearbooks and of his excellence as a photographer.

NO SUPPLEMENT

Upon being questioned as to his plans for the book, the editor stated that the publication date for the yearbook would be in May, about the second or third week. He also stated that since the majority of seniors did not wish a supplement, and rather than have one under last year's conditions, he would not have a supplement.

When asked how he intended to get the '59 Junior Weekend, Spring events, and Commencement into the yearbook without a supplement and with such an early publication date, Mr. Makula declared that he would definitely not answer that question at this time because of its controversial nature.

Scramble

(Continued from Page 1)

"In all fairness," continued Hickey, "these field day contests will be judged by members of the Sophomore Class."

SOPH DANCE

Tonight in Austin Hall, the St. Michael's *"Knightones"* will be on hand to provide music for the Sophomore sponsored dance. Dancing time will be from 8-12 p.m. Tickets, which are $1.00 stag or drag, will be on sale today in the college dining hall. Also, members of the Class of '61, are presently selling tickets in the residence halls to insure the success of this dance.

The *"Knightones"*, an all-student aggregation, will be on hand and again led by Bill Mazur with his accordian. Others in the group are: Jim Aquino, vocalist; Con Leclair, trumpet; Dave Coupal, saxaphone; John Cannizaro, drums. Coupal and Cannizaro are Freshmen additions to Mazur's swinging group.

All students are invited to attend this dance which the Sophomore Class promises to be one of the finest feature events on campus this year.

Seniors 6 Juniors 0

by Joe Maloney

St. Michael's College 1958-59 Interclass Football season got off to a good start Wednesday, when the Juniors squared off against the Seniors who won 6-0.

With Joe Mahoney at the helm for the Juniors and Bob Senecal for the Seniors, the teams took the field. The Juniors won the toss and proceeded to go nowhere. The ball changed hands four times, until late in the first quarter when a Mike Fisher to Fran Makula pass, found Fran skipping to a T.D. for the Seniors.

The second quarter again found the Juniors trying to break the ice. Twice they intercepted passes deep into Senior territory, but each time were held by the good defensive play of Makula, Walsh and Lennon. The half ended with the Seniors up by six.

The second half opened with a bang as the seniors took the ball and got 2 quick first downs on a Paul Lennon run and a Fisher to Lennon pass. The Juniors then held at the 50 and got deep in the Senior territory with the pass combo of J. Mahoney to L. Stevens.

The final quarter found both teams trading pigskins rather freely. The Juniors entered Senior territory twice with time running out. As the game ended, the ball was on the 50 with the Seniors in control of it and the the game, 6 zip.

INTERCLASS FOOTBALL SCHEDULE - 1958

All Games Start at 5:15 P.M.

Monday	September 29	Seniors	vs	Sophs
Wednesday	October 1	Juniors	vs	Frosh
Thursday	October 2	Seniors	vs	Frosh
Monday	October 6	Juniors	vs	Sophs
Wednesday	October 8	Seniors	vs	Juniors

Thursday	October 16	Seniors	vs	Frosh
Monday	October 20	Juniors	vs	Soph
Wednesday	September 24	Juniors	vs	Seniors
Thursday	September 25	Frosh	vs	Sophs

Mansfield Climb Slated for Oct. 5

by Bert and Harry

If the interest in the Outing Club shown by the new Freshmen class is indicative of things to come, it looks like a busy year for the Club. The organization again promises to be the largest and most active on campus.

From Club President Dan Peacock comes the word that this year's first meeting will be held in the near future. The delay is due to the awaited appointment of a new moderator.

MANSFIELD CLIMB

The first slated activity is the ever popular co-ed hike up the northwest face of Mt. Mansfield. A definite date has not yet been set, but the event is tentatively planned for October 5 when the Vermont foliage will be in full color. A chartered bus will provide transportation to the foot of the mountain at Underhill. The ambitious Michaelmen will be joined in the sortie by a number of equally ambitious gals from our neighboring colleges across the wide Winooski. A nominal fee will be charged to cover the cost of transportation and the refreshment that awaits the conquerors of Vermont's 'Everest'. This expedition is a tradition of long standing on the Hilltop.

SKI CABIN

With Old Man Winter and the ski season rapidly approaching, the St. Michael's cabin is in need of its Fall cleaning. For the information of newly arrived ski enthusiasts, this mountain cabin nestled among the pines of Ranch Valley, is a welcome haven for the student who can afford to spend a weekend away from the books. There is a variety of tasks, from stocking the wood pile to tacking down the shingles. All volunteers will be welcomed for this venture Sunday, September 28.

WINTER CARNIVAL

In previous years the Outing Club has been the sponsor of the annual Winter Carnival, one of the highlights of the social year. The February Weekend is a must in the schedule of skier and non-skier alike. Among the attractions of the Carnival are a semi-formal Ball, a snow party, and a winter-collegiate ski meet. The new ski jump built on campus by the Ski Team, under the direction of Dominique Casavant, was christened at last year's meet which was the first held on campus.

SKIING

It is the hope of all ski enthusiasts that Northern Vermont will again be blessed with as much snow as last winter brought. Many students make it easy for the neophyte, by offering such assistance as ski rentals, an inexpensive package deal of ski equipment, cut rate lift tickets, and half price instruction at Smugglers Ski Ways.

The Club is looking forward to an encouraging response

On & Off The Boards

by Jim DesRoches

As September and the baseball season draws to a close, it isn't surprising to find the Braves and Yanks representing their respective loops in the World Series.

What is surprising, however, is the fact the Yankees won by such a wide margin with what some observers feel was their worst team in years.

When you stop and think they had but one consistant hurler, Turley, and with Mantle and Berra having so-so years, their accomplishment is even more outstanding.

The Braves on the other hand won it in much the same manner as last year; on their pitching staff and the bat of Hank Aaron. The experts say that pitching is 90 per cent of the battle in a series and here the Braves have the edge. Add this to the 4-3 home park edge and we'll go out on a limb and pick the Braves in seven. Any takers?

A passing glance at Paulin Park activity reminds us that football season is well on it's way. Reports have it that 26 men showed up for UVM's first practice. I'm in favor of having the winner of our interclass tumbles take on the men from across the river, say around Thanksgiving time.

As far as the Yankee conference is concerned, it'll take a pretty fair team to beat U. Conn. Maine could give them a run for the money with perhaps New Hampshire in the fight. The Catamounts are not eligible for the title as Maine is their only conference opposition.

Back on the hilltop, interclass football is scheduled to start this week. With last year's champs graduated, it could run into a four way race. From previous performances the two best picks are the Seniors and Juniors. The Sophs will be hurting without Dorsey and of course the Frosh are unknown. But Frosh coach Moth (Creep) Carroll promises to have his charges ready for action by the 28th.

Interclass Tennis also opens around the 28th on the newly surfaced courts. George Cronin rates as this year's pick if he doesn't compete intercollegiately. Walt Kennedy will also be in the running if his stiff shoulder comes around. We understand this year's Freshmen contingent has some pretty fair racketeers so all in all it should make for an interesting year. We'll go out on the limb once again and pick Junior George Cronin as the netman to come out on top.

From this penman's viewpoint, our basketball charges will shape up somewhat poorer than last year. That may get me expelled but look at it this way. We lost six men from last year's class, two of them in the 6'6" or better area. With the absence of Drew Denmead we no longer have one of the finest back court men around.

And of course the question on just about everybodys lips is; "Where is Dorsey?" If the Jersey great doesn't show pretty soon there'll be more than one person around with ulcers. Add this to the questionable status of Little All-American Dick (Moose) Zitler and what have you?

You have a definitely weaker bench, (scratch Lefty Tessier, Art Orlando, Frank McCaffrey, Joe Spy, et. al.) and even an uncertain starting five.

From the gloomy to the bright, St. Michael's is once again represented in professional ball. We're all proud of Warren (Lefty) Tessier and many say he'll be up there within three years. The last Michaelman to try his aims for the elusive major-league target was Bob DesRoches ('56). Bob's no longer with the Tigers, but with Warren in the running, we once again have ourselves a protege.

From here and there: One Boston writer puts it this way: The Red Sox magic number is always the current year plus one; It's already too late to get tickets for the Series. They were sold out 24 hours after the sale opened. From Hoyt Wilhelm to Lew Burdette (This is our "It could happen dept.") How about Spahn and Turley for MVP picks? The Splendid Splinter almost splintered a fan's head with a thrown bat last Sunday, the "Kid" will never grow up.

Rifle Team Underway

The Saint Michael's Varsity rifle team, and the Saint Michael's R.O.T.C. team held their first meeting on Tuesday, September 23, at 6:30 P.M. in Room 10 of College Hall.

Sergeant Lucas is again moderating the rifle teams. Persons not able to attend the meeting on Tuesday of last week are invited to attend a meeting on next Tuesday night. The time and place of the meeting will be posted on the R.O.T.C. bulletin board located in Old Hall, as will all Rifle Team notices throughout the coming school year.

The mainstays of the Varsity Team this year will be Dean McNulty, Varsity Captain, a senior, also Ed White and Dave O'Mara, junior and sophomore respectively. Among other returnies are Pat Leahy, Wally Anctil, Brian Hunt, and Hank Klein, Sergeant Lucas will be depending on these members to form a nucleus for this years team.

CAMPUS RANGE

The teams will have their own range on campus to use for practice. The range is located in the basement of Ryan Hall. It was constructed during the Christmas Holiday last year, and officially opened in the early part of January with a match against Harvard. The range is a regulation five point, fifty foot, small bore indoor range.

The R.O.T.C. team has from fifteen to eighteen postal matches scheduled this year so far, and Sergeant Lucas is almost positive of having at least two shoulder matches scheduled for the R.O.T.C. team. These matches will probably be with the Army and Air Force R.O.T.C. teams at U.V.M. although no date has been scheduled as yet. The R.O.T.C. team will also participate in two national postal matches. These are the Randolph Hearst Trophy Match and the Secretary of the Air Force match.

ACTIVE SCHEDULE

On the Varsity scene at least eight shoulder matches are scheduled. The matches are M.I.T. on November 15, home, U.N.H. on November 22, also home. Maine is the first away match to be held and that will be on December 6. Among the other away matches are Harvard, January 9, Bowdoin, January 10, and Norwich on February 14. Also there is a home match against Dartmouth on February 28. There is a match with U.V.M. for which the date has not yet been set but it might be scheduled for just before Christmas recess.

To close on a special note. Colonel Bondurant has stated that he will provide a perpetual trophy and plaque to be annually inscribed with the name of the outstanding shooter on the R.O.T.C. team.

Tessier Signs for Bonus

Lefty Clicks with Philly Farm Team

by Don Dakin

Warren "Lefty Tessier, the best pitcher St. Michael's has seen, signed a Class A contract with Williamsport of the Eastern League this past June. Oddly enough it was not for his pitching powers but for his hitting that he was given a bonus for an undisclosed amount.

Tessier, signed June 2 immediately following exams, reported to Johnson City, Tenn., in the Appalachian Rookie League where he hit .341 and played the outfield. In mid-July the Phillies moved him up to their Brunswick, Ga., team in the Georgia-Florida circuit where he hit the ball at a .290 clip.

HIGH SCHOOL ATHLETE

At Our Lady of Victory High School in Plattsburg, N.Y., Lefty broke all sorts of records. Playing 4 years of varsity baseball he compiled a 30-5 pitching record and hit well above .400 each year. Also a basketball player, he scored an amazing total of 1535 points during his high school career.

VARSITY MAN AT SMC

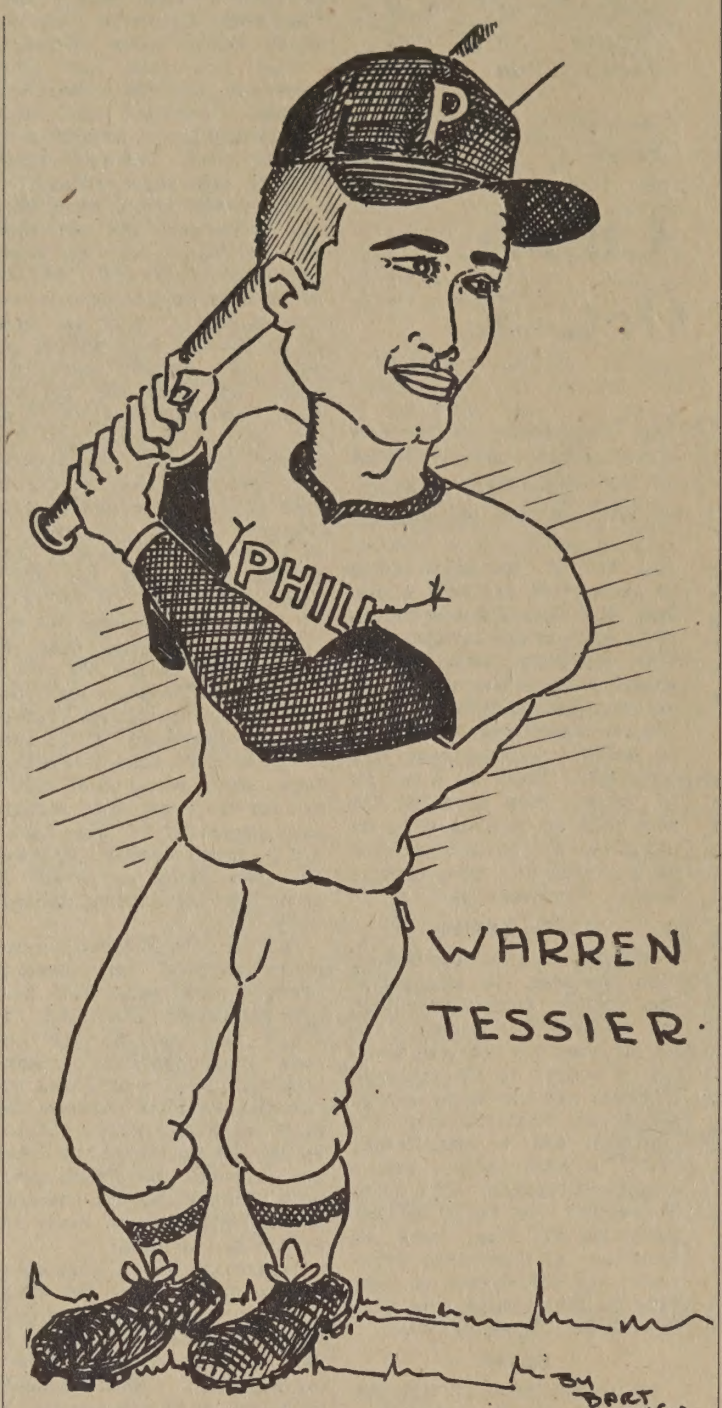
Warren, a senior, pitched and hit his way to being St. Mike's outstanding baseball player. As a sophomore he led the club with a .333 batting average. He hit .303 last year. His mound status last year was a respectable 3-1 including a victory over UVM, a rarity indeed. Most of us will recall Lefty's hustle as the number 6 man on last season's championship basketball team.

As a pro Tessier is not permitted to compete in intercollegiate sports and as a result will not see action for St. Mike's this year. He will, however, keep in shape by refeering the coming interclass football games as "Doc" Jacob's athletic assistant.

BASEBALL CAREER

Lefty, a math major, plans definitely on making baseball his career. When questioned concerning his chances he answered that they were "very good" and he hopes to be hitting the right field wall at Connie Mack Stadium in the near future. If everything works the way it should, Lefty will teach and coach when his playing days are over.

As an added note of interest Tessier after being approached by the Orioles, White Sox, Red Sox and Yankees, was signed by Ralph LaPointe, UVM coach and long time rival of St. Mike's.



Hoop Schedule Set

Eleven Home Games

by Jack Dillon

Today the Athletic Department released the 1958-59 basketball schedule. Coach Jacobs in releasing it lived up to last years promises of having 11 home games this year. The schedule as released consisted of nineteen games, two tournaments and two tenative dates set for the western trip late in February.

The Purple Knights open the season against Stubenville College of Ohio, the number one rated team in small college ranks for the past two years. Stubenville will be facing the Knights without the help of their high scorer (Jim Smith), who graduated last June. This is a game that all local fans are looking forward to, as it matches the number one team in the country against the team that came out second in the NCAA playoffs last year. Also new on the slate this year is a game with South West Missouri, runners up in the NCAA playoffs two years ago.

WESTERN TRIP PLANNED

Once again the Purple Knights will travel west, first to face South West Missouri, then to face Regis of Colorado, who topped St. Michael's in their last outing during the 1956-57 season. Besides these two tilts Jacobs has two tentative dates one in New Mexico and the other has not yet been released.

STATE GAMES

On the home front this year the Knights play six state games. They face the same strong Norwich club that last year defeated them, to give the Knights their first defeat in the last three years of State play. While across the Winooski The Vermont Catamounts, are again preparing a challenge for the Knights. This year the Cats are supposed to have a few tricks up their sleeve. Middlebury college spent last year rebuilding so that they should not be counted out in the race for the state title.

CREIGHTON & FAIRFIELD

Once again Creighton is visiting the Green Mountain State. On there last visit here, they topped the Jacobmen by 1 point in a real thriller. Fairfield, one of the few teams to beat the Knights last will be in Memorial Auditorium on February 8th. St. Michael's rounds out the season with games with Adelphi, of NCSA fame and the New York Athletic Club, who has a one and one record in the past two years with them.

BASKETBALL SCHEDULE
ST. MICHAEL'S COLLEGE
1958 - 1959

	NCAA College Runner-up	
Dec. 1	Steubenville	Home
2	St. Lawrence	Home
13	Middlebury	Home
15	American Int.	Away
18-20	SMC Invitational	Home
31 - Jan. 3	Down East Tourney	Bangor
Jan. 8	Norwich	Home
14	Norwich	Away
16	Middlebury	Away
18	St. Anselm	Home
24	LeMoyne	Home
26	Creighton	Home
31	Colby	Home
Feb. 4	Vermont	Home
6	Northeastern	Home
8	Fairfield	Home
11	Vermont	Away
16	So. west Missouri	Away
20	Regis (Colorado)	Away
26	Adelphi	Away
27	New York A.C.	Away

SMC TOURNAMENT

The St. Michael's Invitational will be held on Dec. 18-20. It will only be a four team tourney this year. After Christmas the Knights travel to Bangor, Maine, for the Down East Tournament, where they should face the best in the northeastern U.S.A.

Rounding out the rest of the season the Purple Knights face Lemoyne, Colby, Northeastern, St. Lawrence and their rival from the White mountain state St. Anslems.

The Knights in quest of the New England title again and the NCAA title will have a tough go all the way.
